Never doubt that a small group of thoughtful, committed citizens can change the world; indeed it is the only thing that ever has"

Kintore Women's Group

Programme
2015-2016

We are a group who meet in fellowship once a month to relax, share experiences, enjoy a variety of talks and take part in other activities. Although the historical title of the group is "Women's Group", we would like to welcome men as well as women to our meetings and there are no age limits - we are open to people of all ages from both the church family and the wider community. We are a friendly, inclusive group who would welcome new members to share friendship, group activities and lively discussion.

Meetings take place on the last Wednesday of each month, either in the Church Hall or at venues "out and about". Our programme will hopefully give you a flavour of what is in store, but if you would like to come along or wish more information, please contact one of the names on the attached list. We would be delighted to hear from you.
